

United States Government
FY 02 Trade Capacity Building Assistance (\$US)
CAPE VERDE

| Activity Title | Activity Description | TCB Category | FY 02 Total |
|--|--|-----------------------|-------------------|
| Support for WTO Accession & Participation | The Project consists of two components: Intensive WTO accession services for two countries (Cape Verde in the first year) and provision of short term consultative services to enable countries to better implement WTO duties and obligations as well as to participate in the WTO. | WTO Awareness | \$ 112,500 |
| | The Accession component will include the following: 1. Development and implementation of an Accession Master Plan; 2. Providing assistance on ensuring that the legal and regulatory framework are in conformance with WTO agreements; 3. Building institutional capacity of the government and affiliated trade organizations to effectively and properly implement reform, prepare the necessary documents and implement WTO commitments; 4. Prepare documents that conform to the WTO procedural requirements; 5. Provide training opportunities for the relevant government and private sector institutions and individuals; 6. Build a complementary public-private dialogue and provide a public awareness program on the benefits, duties and obligations of WTO Accession. | WTO Accession | 337,500 |
| | The consultative services will be provided on an ad hoc basis. Funded and implemented by USAID/EGAT/EM. | Activity Total | 450,000 |
| | FY02 Total USG Trade Capacity Building Assistance to CAPE VERDE | | \$ 450,000 |
